

How does St. Paul's utilize your gifts?

Stewardship - 22%

We believe the words of scripture that tell us, "The earth is Lord's, and everything in it, and all who live in it." Stewardship is, simply put, our responsibility to care for God's gifts, and to use those gifts to glorify God, to serve the common good, and to further God's kingdom.

Worship - 24%

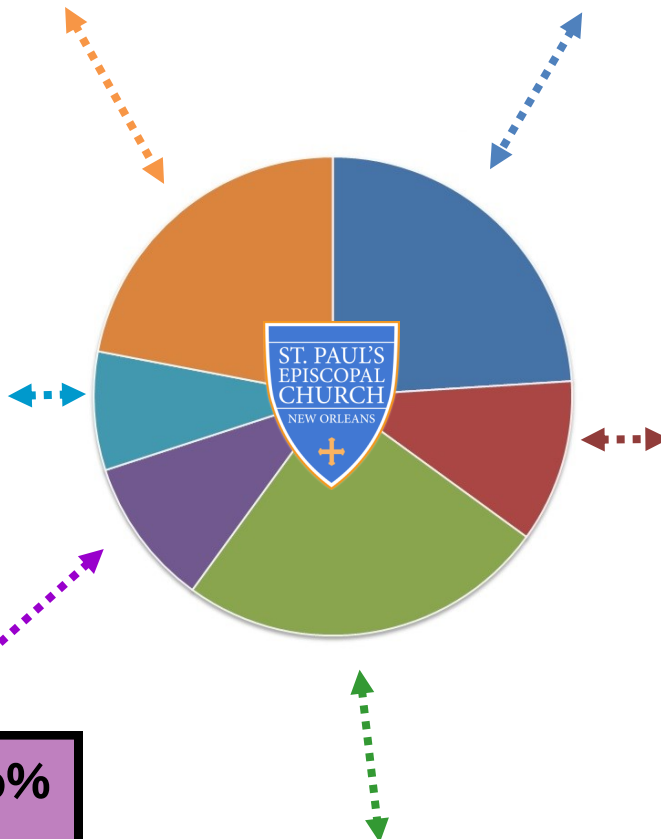

We believe in beautiful, Christ-centered worship as the central pillar of our community of faith. Worship includes everything that goes into the planning, preparation, and delivery of all our services and musical offerings. Worship feeds and empowers us to live as examples of God's love.

Fellowship - 8%

We believe in encouraging members to gather in God's name whenever possible, and to celebrate. Our work of hospitality and welcome to all people allows us to expand our relationships, and, by doing so, to explore a deeper relationship with God.

Education - 11%

We believe growth in our Christian faith becomes a reality when the stories of the Bible and our personal experiences of God's love and grace inspire us to love God and neighbor. Our educational offerings are designed to challenge us to live out our faith in an increasingly complicated world.

Pastoral Care - 10%

We believe in the importance of our clergy, lay ministers, and Center for Counseling & Education for offering care and support when parishioners and their families experience the joys and challenges of life's milestones. We aim to create a community where people experience God's love through us.

Outreach - 25%

We believe in service to the Church to the wider community, and the world. Our numerous projects with the Diocese of Louisiana and our various Partners in Mission exemplify our desire to serve others. Outreach also includes our efforts to share the Good News of God in Christ online and through social media.
